

The Night Walk at Camp Wattlebird: answers

Year 6 · 13 marks. Accept any sensible answer that is backed up by the text.

1. Camp Wattlebird. (1 mark)

Finding information. A fact to find in the first paragraph.

2. A small, close group. (1 mark)

Word meaning. Working out a word from how it is used.

3. Reluctant or nervous. Any two of: she would “rather be anywhere else”; her skin prickled at the owl’s call; she kept her torch aimed at her boots and counted her steps. (2 marks)

Inference. Citing evidence means naming specific details from the text that prove a claim.

4. It was thick and total and seemed to press in on Ava, so she could not see anything. (2 marks)

Language choices. Explaining what a simile suggests about a setting.

5. He was nervous too but hid it by joking. He snorted and made a joke, but he “edged closer to the group” and later “had nothing clever to say”. (2 marks)

Inference. What a character says and what they do can be different. The child spots the difference.

6. “Ava forgot to be afraid.” It shows that wonder at the stars replaced her fear. (2 marks)

Quoting from the text. A quote plus an explanation: using the text as proof.

7. Waiting gave Ava’s eyes time to adjust to the dark, so she could see the trees and then the stars. “Slowly, strangely, the black began to soften.” (2 marks)

Explaining from the text. Linking advice to what happens next.

8. A (1 mark)

Summarising. A theme is a big idea the whole story supports. The wrong answers are untrue or only small details.
