

The Fete Day Friend: answers

Year 4 · 13 marks. Accept any sensible answer that is backed up by the text.

1. Lamingtons (chocolate and coconut squares). (1 mark)

Finding information. A detail to find in the first paragraph before the harder questions begin.

2. Lonely, shy or left out. Evidence, for example: she stood by herself; she watched the other children; she did not walk over to anyone. (2 marks)

Inference. The story never says how Aroha felt. The child works it out from her actions.

3. He had noticed she was alone and remembered how it felt on his own first day, so he wanted to include her. (2 marks)

Inference. Working out a character's reason, using a clue from earlier in the story.

4. Very bad at something. (1 mark)

Word meaning. Understanding a word from the way it is used.

5. Probably not. He used it as an excuse to give Aroha a reason to join in, because he had noticed she was alone. (2 marks)

Inference. People do not always say what they mean. The child sees through what Lachlan says to why he says it.

6. She was becoming more relaxed and comfortable. (2 marks)

Language choices. A body-language detail that shows a feeling without naming it.

7. Any sensible prediction backed by a clue, for example: they will become friends, because she laughed at his jokes and asked him to save her the last lamington. (2 marks)

Giving a view with evidence. Predicting what happens next and justifying it with a clue.

8. A (1 mark)

Summarising. A theme covers the whole story, not just one detail.
